

2008 MARATHON 10 SERIES - Race 1 - Burley Griffin - 8/3/08

NOTE: Where a division contains an even number of boats, the Median time will be taken to be the faster of the two middle times,
eg, in an 8 boat division, the Median will be the 4th place time.
No points will be awarded for any paddler's first race. Different doubles combinations will be defined as first race for the first time together, as per previous years.
